

Directions to Old Fart's Dream
Walker Creek
Tributary of Sharp's Creek
43° 35' 13" N 122° 46' 42" W

Going South on I-5, take exit 174 at Cottage Grove. Move into the left lane. At the red light set your trip indicator to "0." Turn left onto Roe River Road. Proceed generally East for 15 miles. There will be a church on your left and a bridge on your right. Cross the bridge onto Sharp's Creek Road. Continue on – at mile 18 you will pass through Sharp's Creek Recreation area (creek on the left, camp ground on the right). Continue on to approximately mile 23.7. This is about a mile past the new bridge construction. The claim is approximately 75 miles from Albany.

On your right and up a slight grade will be Forest Service Road #23-1-1. This is a well maintained gravel road. Proceed for approx. ½ mile to where a sign on the left on a large fir tree reads "4 Acre." This is the beginning of the claim. The claim runs upstream for approximately 1/3 mile to just before the metal gate across the road going onto private property.
